One room school was 'one big family'

by JANE POLZIN

He was the only student in his class all the way from first grade to eighth at the one room Bean Hill School.

Atty. Ted C. Larson, recollecting his time at the school from 1925 to 1933, said he was the valedictorian of his class. "Most people say I was also the dummy of my class," he added.

Examining a photograph of the weathered building, he said, "there were never more than 20 kids in the total school." He talked of the outhouses behind the building, one for girls and one for boys and the porch where the children's snowy boots and coats were kept.

A BUILDING BOND to add the porch was issued for \$100. "It ended up costing \$99," he said.

The school, formerly located on the southeast corner of Rte. 173 and Deep Lake Rd., is now being used as a house further down the hill on Grass Lake Rd.

The building was built in 1850 and was returned to the owner of the land when it was no longer needed as a school.

A wood and coal stove was used to heat the it, and a wood shed was located in back to store the wood and coal.

"KIDS WOULD HAVE to help the teacher

put wood and coal in the stove and do janitorial work," he said. Youngsters would clean the blackboard and sweep as a disciplinary measure.

W.C. Petty, Lake County school superintendent for 40 years, frequently visited the 65 one room schools in the area.

The school was the center of the community, Larson said. Card parties and lunch box socials were among the activities held there.

Children "walked wherever they had to go," Larson said. "Some used to ride bikes or horses" to school. Larson himself rode a horse to school from his family's dairy farm.

THE SCHOOL DAY began with the Pledge of Allegiance and the school song, A Long, Long Trail Awaiting.

The course of studies in the one room school included nature study, poetry, civics, penmanship, reading, writing and arithmetic.

Students spent a lot of time writing and reading, Petty said. "They would usually pass books on from one grade to the next. There were not many books in the library in those days."

Classes for different grades were combined, so students were "really listening all

WAITING FOR MOONLIGHT — Lee Marie Walsh and her two children, from left, Jonna and Carin await Moonlight Madness sale sponsored by Antioch Chamber of Commerce and Industry. Sale day begins at 7 p.m. August 23. Clowns and a pajama contest for toddlers will be featured.

Village officials study drowning

Village officials are investigating the death of Chris R. Oddsen, who drowned in a storm sewer during heavy rains last week.

Oddsen, 19, was driving in three-and one-half feet of water when he stopped on the corner of Oakwood and N. Ave. and got out of the car. He was pulled into the swirling water of an open sewer drain behind the car.

His body was pulled through a section of 60 inch drain pipe and into a field south of the sewer drain by the rushing water.

Attempts to rescue the youth by two public works crewmen and an unidentified friend failed.

MARK ERICSON, a public works crewman, was almost killed in a rescue attempt when he was also sucked into the sewer in an effort to reach a rake to Oddsen.

Don McGrain and Tom Stroschein, other public works crewmen, were able to free Ericson when he was pulled into the sewer up to his head.

The accident occurred shortly after 11 p.m. August 17.

MAYOR MICHAEL J. Haley had no comment concerning the incident.

He said there will be no comment "until the investigation is over and we see exactly what happened."

"We're still checking everything that happened that night. We don't have all the answers yet," he added.

Oddsen, a life long resident of Antioch and a member of the Antioch United Methodist Church, was a June graduate of Antioch Community High School. He was a Star Athlete and member of the A Club and an employee of Adesko Electric, Inc.

SURVIVORS INCLUDE his parents, Robert Oddsen of Antioch and and Garret,

Cook, also of Antioch, two sisters, LuAnn and Kathy and one brother Jimmy, all at home.

His maternal grandmother, Mrs. Ruth

Along the way with ANNIE MAE

Did you see the mystery article in last week's paper? The headline read Rotarians visited by Olson, but the part of the story telling about his visit was omitted. It should have said that Russel Olson, lieutenant governor of Wisconsin, spoke at the Rotary meeting. Olson was a guest of Rotarian Stuart Olson.

Congratulations to Bill and Debbie Seibel on the birth of their first child, Bryan Jacob.

BRYAN WAS BORN August 11 and weighed in at eight pounds even.

Proud grandparents are Nancy and Ken Rentner of Antioch and Jean and Don Seibel of Breckenridge Hills, Mo.

Bryan is blessed with great grandparents Freda and Hank Rentner of Antioch and Rose and Joseph Seibel of Creve Coeur, Mo. and Anna and Ben Wiedekamp of St. Ann, Mo.

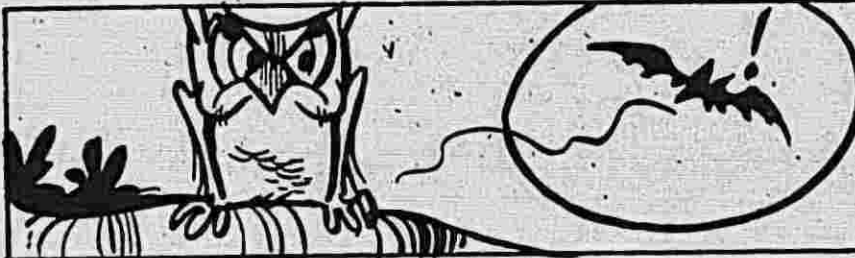

There will be madness in Antioch August 23 when the Antioch Chamber of Commerce and Industry holds its annual Moonlight Madness sale, beginning at 7 p.m.

WHO'LL BE WEARING their jammies? Everyone will have to come out to see.

Annie Mae is searching for a pair of warm ones in her moth ball lined trunk, but she's very modest and isn't sure she'll go through with it.

The McDonald's Restaurant benefit for the Ivy family whose home was destroyed by fire "went very well," said Chris Kellogg, a McDonalds employee.

The restaurant will be proud to present the family with a check for \$225.

The owl is one of the very few enemies of the bat.

Free meal policy told for Emmons

The Emmons Grade School District announced its policy for free meals for children unable to pay the full price of meals and milk served under the National School Lunch, School Breakfast and Special Milk Programs.

Families who meet family size and income criteria or do not meet these criteria, but have expenses such as unusually high medical expenses, shelter costs in excess of 30 per cent of income, special education expenses due to the mental or physical condition of a child, or disaster or casualty losses are urged to apply.

Application forms are being sent to all homes in a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted at any time during the year.

To discourage the possibility of misrepresentation, the application forms contain a statement above the space for signature certifying that all information furnished in the application is true and correct. An additional statement is added to warn that the application is being made in connection with the receipt of federal funds, that school officials may, for cause, verify the information in the application and that deliberate misrepresentation of in-

formation may subject the applicant to prosecution under applicable state and criminal statutes.

In certain cases, foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for free milk and free or reduced price meals for them, the family should contact the school. If a family member becomes unemployed or if family size changes, the family should contact the school to file a new application. Such changes may make the children of the family eligible for reduced price meals, or for additional benefits such as free meals and milk if the family income falls at or below the levels set.

Under the provisions of the policy, John J. Kakecek, Supt. will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the official, he or she may wish to discuss the decision with the determining official on an informal basis. If he or she wishes to make a formal appeal, he or she may make a request either orally or in writing to R. Becker, president, board of education, Emmons Grade School for a hearing to appeal the decision. The policy contains an outline of the hearing procedure.

Each school and the office of the Emmons School district has a copy.

Industrial group looks to future

The Industrial Committee of the Antioch Chamber of Commerce and Industry clarified goals, established a timetable and elected officers at its third meeting.

A major goal of the group is to publish a list of all businesses and industries in Antioch and the services they provide as a source of information.

The booklet would "establish who's who in town as far as industry's concerned," said Chamber President Bill Bishoff.

THE INDUSTRIAL Committee also plans to set up a semi-permanent display of items manufactured in Antioch.

Two projects are planned by William Schroeder, publisher of the Antioch news and Antioch Reporter.

The first, in the Antioch News, is a feature "showcasing young people in industry," Schroeder said. In the Antioch Reporter, a Plant of the Month profile is planned.

The 17 members present at the luncheon meeting elected Bob Taubitz, plant manager at Regal China, chairman. Taubitz is also a member of the Chamber's board of directors.

"HE JUST GETS so enthusiastic, he can hardly talk," Bishoff said.

"He is full of ideas, energy," added Lloyd Shore, general manager of Northlake Engineering.

Gib Petzke, personnel director of Quaker Industries, was elected vice chairman. Elected secretary-treasurer for the committee is Art Necker-mann, president of Valiant Enterprises.

In closing, Jim Dayton, president of Knight Enterprises, Camelot Press, expressed thanks to the Chamber for "being interested in industry. I think it's your life's blood," he added.

"We want this to be industry's committee," said Dan Dugenske, owner of the Strang Funeral Home and acting chairman of the committee. "We'll certainly support it."

Names in the NEWS

Airman First Class Richard A. Brown, son of Mr. and Mrs. Philmen Brown of Antioch recently participated in Global Shield 79, an Air Force exercise conducted by the Strategic Air Command.

Airman Brown is a security specialist with a SAC unit at Grissom Air Force Base.

Global Shield 79, which involved bomber, tanker, missile and reconnaissance forces, and associated Air Force Reserve units, was the largest and most comprehensive test of SAC forces in more than 20 years.

Holtz votes no on Gander Mountain

With two negative votes, Lake County Forest Preserve District commissioners have approved an acquisition resolution for the purchase of 250-acres of Gander Mountain west of Antioch.

The resolution authorizes appraisals on the land and for negotiations to begin to purchase the property.

VOTING against the acquisition resolution were R.G. (Bud) Holtz of Antioch and Stanley Pekol of Waukegan. Joe Tobolik of Ingleside passed his vote.

Holtz commented that he was concerned about "where the money will come from. We are not developing what we have. People in my area don't want more forest preserve area," he said.

Commissioner Janet Kapischke of Lake Villa commented that the funds for the purchase are from a bond issue. "The die was cast years ago."

Commissioner Priscilla Richardson of Gurnee pointed out that the area, heavily wooded, would be an ideal forest preserve adding that it would be for future residents.

"WE SHOULDN'T let the trees blind us," Pekol commented. He said it is a "considerable distance" from the population of Waukegan and North Chicago "and what is the real use to the people who are paying for it?"

The original motion was amended on a motion by John Briddle of Highland Park to purchase Gander Mountain only if federal grant money is available to assist in the purchase. Commissioners earlier had authorized the filing for grant money with the U.S. Dept. Of Interior.

Flooding, sewage problems expressed

Three residents complained of flooding and sewage in their basements at the meeting of the Antioch Village Board.

"This is ridiculous," said Terry Klaczak of Windsor Dr. "I know a lot of people who've got surface water. This is sewage. It's a health hazard."

"I know that people were tied into (the sanitary sewer system) illegally. What is so difficult about notifying people that have gutters tied in to the sanitary sewer (that they must disconnect)?"

KLACZAK SAID there had never been a problem in the 31-year-old house until last year.

Another resident, who lives on Village Green, said he had problems with flooding "probably four times this year."

He was asked to attend the next public works meeting Monday, Sept. 10 to discuss the problem.

"Depending on the scope of the job, maybe we could take it up before then," said Mayor Michael J. Haley.

"I'LL GO UP there myself and take a look at it," said Trustee Vern 'Barney' Bar-

nstable. "It's getting unbearable," the resident said. "You can't go on vacation, you can't leave the house" for fear there will be a problem.

"The same problem existed a year ago. Everybody said it would happen once every 99 years and it happened four times this year."

The problem lies with working on Sequoit Creek and "trying to find land to put a retention pond," said Trustee William Seemann.

"IT'S GOT TO be from a community standpoint," he said. "It's a whole village problem. Someone will have to take a hard line when we get all the facts (from the engineering studies currently underway). Maybe we're talking about millions of dollars."

A third resident spoke of the tragedy caused during a storm last week when Chris Odsen, 19, drowned when he fell into an open sewer drain filled with swirling water.

"I think the village should be aware these guys (public works crewmen) are doing the best with what they've

got," he said. "The water was higher this time than last time."

"It's a rough thing," he continued. "I felt terrible Friday when this thing happened. It's a water problem and we can't brush it away."

"The tragedy weighs heavily on all of us," Haley said. "I will not recognize any comments from the floor on the flood...until it is investigated," he added.

Barbecue to be held Sept. 29

One of Antioch's most delicious feasts of the year now is in the making.

That's the 5th annual Antioch Rotary Club Pork Chop Barbecue Sunday, Sept. 29, at Behm's Auction Barn, North Ave.

President Tom Kelly announced that Homer White will serve as chairman of the popular event. Serving will be from 5:30 to 9 p.m. with entertainment to follow.

Kelly said tickets are available now at \$7.50 per person from any Rotary member or at Antioch's three financial institutions.

"Every year the barbecue gets bigger and better. The auction center can seat 600 persons so there should be plenty of room for everyone," stated White.

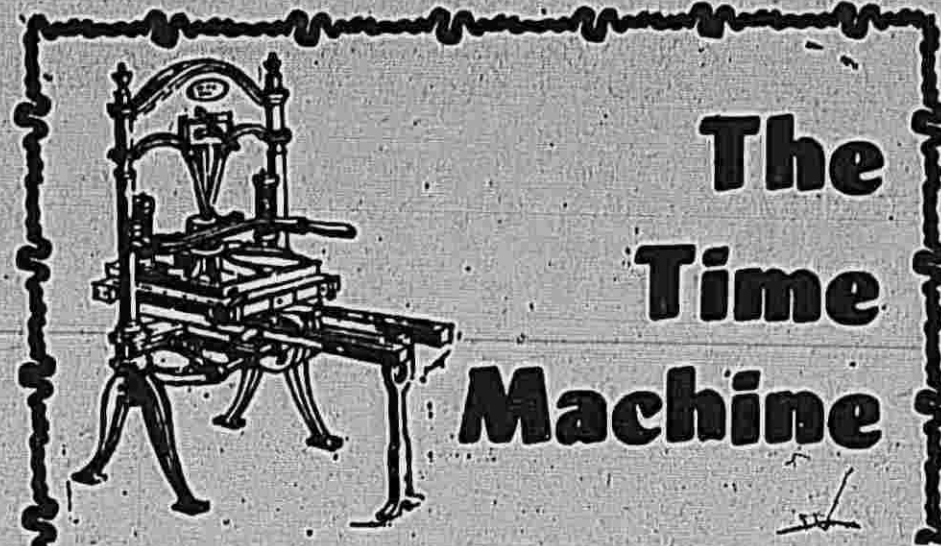

Blecke spoke to principals

Arthur Blecke, Principal of Antioch Community High School, was a featured speaker at the Suburban Secondary Principal's Association meeting in Rockford.

Bleckes topic was "Developing an Acceptable Salary Schedule for Extra-Curricular Activities." He has presented the same topic at the National Principal's Meeting in Houston, Tex. last February. Several national school publications have reviewed the presentation in the past few months.

Blecke has been active in the local and national associations for the past several years. He has served as legislative chairman of the Lake-McHenry Co. Region IX of the Illinois Principal's Assn. as well as secretary/treasurer for the past year. In June, he was elected as the president-elect for the 1979-80 school year and will serve as President for the 1980-81 school year.

Blecke will serve his two year term concurrently with Antioch High's Sue Gerasch, who was recently elected president of Region V of the Illinois Education Assn. Both the Principal's County organization and the Teacher's County organization will be presided over by Antioch High School representatives.

The Time Machine

50 YEARS AGO: AUGUST 22, 1929

Lake county residents along the north shore may have opportunity of viewing the Graf Zeppelin at close range when the world circling dirigible makes its flight from Chicago to Milwaukee early next week.

Yeah! Antioch is becoming citified. The biggest little town in the state is taking another step forward. No more will its citizens be humiliated by having to tell strangers that their home is down the street a couple of blocks, third house east of the bootlegger's joint, or that you reside in the brick bungalow on the next side street. That's old stuff now, all ancient history of the early days in town, because Antioch's houses are being numbered.

One of the two women to head a baseball organization in this country is Mrs. John Dunn, owner of the Baltimore Oriole club. She is intensely interested and enthusiastic over her new role of becoming a business woman and is making a great success of it.

Tentative permit for widening Main St. (Rte. 21) for a distance of 60 feet on both sides of the Orchard St. intersection was received by the village this week. The improvement stipulated is the widening of Main St. by the construction of additional brick pavement that will vary in width from four to six feet.

A fire of unknown origin was discovered Thursday evening by passersby at the Caesar Mizzen home. The Antioch Fire Dept. was called, but the fire had gained such headway that the large stack of straw and the separator belonging to George Higgins were entirely destroyed.

When the truck body of the small Ford car in which they were riding became loosened and dropped to the ground, Dorothy and Wilma Musch both of Antioch and their guest Ruth Walsh of Chicago, were badly cut and bruised as a result of their being dragged several feet.

The car was being driven by William Musch and Art Grube. According to Fred Hawkins, who arrived on the scene shortly after the girls landed on the ground, the boys were not aware the truck had become unloosened until they heard the screams of the victims. Wilma was the only one of the group who was unconscious. They are slowly recovering.

30 YEARS AGO: AUGUST 18, 1949

Marjorie Young, Antioch dance instructor, arrived home last week from Hollywood, Calif., where she was Lake County's only representative at the annual convention of the National Assn. of Dance and Affiliated Artists. The local teacher mingled with such movie stars as Jane Powell and Joan Taylor and had as her instructor Eduardo Casina, father of Rita Hayworth.

Governor Adlai Stevenson will officially open the second annual Air Show at Chicagoland Airport.

The Antioch Fire Dept. and Lake Villa, Fox Lake, Grayslake and Gurnee depts. battled a blaze that consumed a barn and some contents at the Lindenhurst farm on Grand Ave. Attempts were made to call the local department immediately but the telephone lines were busy and the dial system was not conducive to an emergency break-in. Loss was totalled at \$35,000.

Children under 16 years of age will not be permitted to participate in the annual Illinois Farm Sports Festival Aug. 25 and 26. Decision to limit competition to children 16 and over was made because of the incidence of polio in the state.

10 YEARS AGO: AUGUST 21, 1969

Priscilla Strahan, Antioch, attended the third of three week-long Allerton Federated Art Schools held July 27 through Aug. 2 at Allerton House, U of I conference center near Monticello. The Federated Women's Clubs furnish scholarships for selected high school artists from Illinois.

A student car wash will be held Saturday to raise funds for the American Field Service program. Antioch's AFS exchange student will be on hand to help and any other students who want to help may contact Laura Oftedahl.

Seniors proud of Nadine

Chain of Lakes Senior Services is very proud of volunteer, Nadine Malik. As she does every year, she again won five ribbons at the Kenosha County Fair — four blue ribbons for three quilts and a beautiful pair of Raggedy Ann and Andy dolls, along with a white ribbon for another quilt.

Nadine is a volunteer office worker in the Chain of Lakes Senior Services and when there is a lull in the work, she doesn't just sit around. Her hands are always busy with some handicraft project she has brought with her. Congratulations to a very talented lady.

MAKE-UP SESSION — Diane Scheske, Cary, helps Mary Harreld, Antioch, with her mouth make-up while Teresa Guardi, also of Antioch, looks for pointers to help with her own clown face. All three agreed that learning to be clown would be useful in telling message of faith.

Swimmers win 4th invitational

Although postponed like the Lions Club Farmer's Picnic, the Antioch Swim Team, sponsored by the State Bank rallied together and for the fourth straight year, won their own invitational swim meet.

When all the splashing was over and the last swimmer had climbed out of the water, Antioch was on top with 330 points, followed by a vacation-weakened Brentwood team with 278. Then came Libertyville 194, Waukegan Park District 31 and Kenosha Recreation with 22.

Antioch swimmers set six new records, while Libertyville got three and Brentwood got one.

The top "record-getter" was Annette Klausegger of Libertyville who got two individual records, free and breast, and teamed up to set the record in the eight length free relay for 18 and under, which was a new event this year. Right behind her was Antioch's eight year old, Matt Zavaski, who took records in both the free (20.46) and the back (25.81); both 33 yards.

He also took a first in the eight and under breast. Shelly Volling of Antioch (13/14) broke her own 66 yard fly set in 1978 (43.53). Also, breaking a 66 yard fly record was 11 year old Brian Wogland of Antioch, with a 53.72. Brian also contributed to the record set in the 12 and under eight length free relay (3:03.55).

His teammates were the two Kelly sisters, Kerry and Kaky, and Joel Bellucci. Shelly was also involved in a record-breaking relay, the 16 and under, eight length medley relay (2:48.30). Her co-swimmers were John Bellucci, Sue Harrison, and Ted White.

Brentwood got their record in the 16 and under eight length free relay, touching out the Antioch foursome of J. Czapiewski, B. Sutton, J. Houghton, and Ted White. The Brentwood relay consisted of J. Manning, J. Davis, K. Latz and M. Hanzel.

Some of the other Antioch swimmers contributing to the teams winning were eight and under: Kim Zamudio, breast (1), free (2); Derek Wogland, free (2), back (3), and breast (3); Kim White, breast (3); and Kirsten Kelly, free (3). Ten and under: Colleen Kelly, free and breast (1) and the free relay with Tom Nicholl, A. Lallo, and B. White (1); Bryan White, free and back (2), breast (3); H. Celarec, back (1) and A. Lallo, free (3). Twelve and under: K. Gardner, fly (1); Kerry Kelly, free (2); Stacy Harrison, breast (2); Brian Wogland, breast (2); Katie Shepard, breast (3); Kaky Kelly, free & fly (3); Joel Bellucci, free and fly (3). Fourteen and under: Craig White, free & back (1), fly (2); Shelly Volling, free (1); Bill Carney, breast (1); Rob Ammar, breast (3) and the Free Relay, P. Fields, A. Ivy, B. Carney and Craig White (2).

Sixteen and under: Sue Harrison, free & fly (1); Ted White, fly (1), back (3); Judy Houghton, back (2), fly (3); Bob Sutton, free (2); J. Czapiewski, back (3). Eighteen and under: Dave Volling, free and back (1), breast (2); Carol Berry, back (2), fly (3); Karen Shepard, free (3); Mitch Kruczek, swimming up an age group, fly (3); and the free relay consisting of Karen, Dave, Sheryl Harrison, and John Bellucci (2).

Players present 'Bellilina'

Trevor is the new home of the Charlie Brown Players, who presented an original play "Bellilina" last weekend.

The title role of Bellilina is played by Mary Kenyon of Antioch. She is captured by the evil villainous Mumbo, Tina Wollner of Antioch.

Sold to a circus, the Ringmaster, Charlie Brown of Trevor and his assistant Buddy, Paul Schultz of Silver Lake, make her life miserable.

Charlie Brown, authored and produced the play. Paul Schultz is a newcomer to the theater.

Aiding Bellilina in her escape are Aunt Min (Joy Stowell of Lake Villa); Mortimer, a mouse (Kenny Leahy of Antioch); Mabel (Donna Foley of Trevor); Henry, a bird (John Wollner of Antioch); the prince (John Contois of Lake Villa) and other little people.

The fleas and the circus performers help to give this show much of its excitement. Nancy Balmes, of Antioch, a veteran PM&L performer, directed this show.

If you missed the performance last week, this Friday, August 24 and Saturday, August 25 are more per-

formances.

Both performances will be at 7:30 p.m. at the Trevor Grade School on Hwy. C in Trevor.

FIRST MEETING

The first meeting of the 1980 Miss Antioch Pageant will be held Wednesday, Sept. 19, at 7 p.m. at the State Bank of Antioch. Anyone interested in working on the pageant should contact Marlo Good, chairman at 395-2465 or Bill Groeninger, co-chairman at 395-2700.

CLUBWOMAN MONTH — Mayor Michael J. Haley proclaimed August Clubwoman Month in Antioch. Louise Santino, woman's club president, right, made request at meeting of village board. The club, which has been in community service for over 50 years, is planning extensive membership campaign during month of August.

the time." The repetition provided a review, Petty said.

"I WOULD THINK they couldn't learn, but they did," he said. "Many of our better students came out of those schools."

Students received ornate certificates for reading books and writing reports from the county superintendent, Larson said.

"Everyone had to take a county test administered by the county superintendent as the final exam" to enter high school, Larson added.

One room school teachers worked a long day teaching, supervising and sometimes even preparing soup for lunch for the students, Petty said.

The teachers at Bean Hill were "very young and very dedicated," Larson said.

Receiving a salary of \$75 a month, they boarded with the three school board members.

TO BE CERTIFIED to teach, they had to have two years of college training.

"It took a good teacher to survive, but she really got results," Petty said. He attended a one room school himself and taught in a one room building for three years.

"One teacher taught all eight grades," Petty said. "They all worked together as one big family."

There was no teacher's lounge, coffee breaks or tenure, he added. "They just wanted to do a good job."

During recess and after school, the children enjoyed playing baseball and skating in a pond behind the schoolhouse.

Boys wore blue jeans or overalls to class and girls wore dresses, which were often homemade.

Larson fondly recalled that some large families in the area would take up about 1/3 of the school. "If they had the measles, half the school was missing," he said.

Leaning back in his chair Larson reflected, "It's quite an era...."

Antioch schools plan for funding changes

Lake County schools will be losing more than \$4 million in state aid during the 1979-80 school year, but in most all cases it will not affect the educational program.

According to Lake County School Supt. William Thompson Lake County schools will receive \$42,490,297 in state aid monies. Last year the state aid claim was \$46,689,145.

"EVEN WITH the change in formula made by the General Assembly, Lake County experienced a loss in state aid of \$4,198,848 this year," Thompson said. "If the formula had not been changed the loss would have been approximately \$8 million."

"The continuing losses in state aid are due primarily to increasing assessed valuation of real property and declining enrollment," Thompson added.

Even though Woodland School will be receiving \$462,192 less in state aid this year, "there will be no change in the educational program this coming year," according to Supt. Arden Luce.

"The loss is balanced off somewhat by the higher tax payments dictated by the higher assessment," Luce commented. "The local taxpayers will be paying a bigger and bigger portion;

but it is not an even balance."

HE POINTED out that the school board anticipated a few years ago the reduction in state aid because of declining enrollment and was successful in getting a tax rate increase approved.

At Grayslake High School, where the state aid payment will be down \$197,991, Supt. L.H. Rouse said that the increased assessed valuation, which dictates a lower state aid payment, "also provides more tax money."

Rouse said that when the school board knew the enrollment was declining and state aid would be lower "we planned ahead and saved money." That surplus will be used this year to help operate the school.

Because of the sharp increase in the assessment at Lake Villa Grade School, that school will be receiving \$320,107 less in state aid. Supt. Peter Palombi said surplus funds will be used "and the tax money locally will be more."

In the North Chicago school system, where the high school and the grade school have the same boundaries, the high school will receive \$262,902 more in state aid and the grade school will receive \$201,207 less in state aid.

"THE STATE aid formula favors the high school district," Thompson said. He added that in some cases

school districts are receiving less state aid because they were overpaid in state aid money last year.

"The assessed valuation is going to kill us pretty quick," the school superintendent said. "The General Assembly must amend the law on assessment." He pointed that if the bill to reduce the assessment level to 25 per cent of fair market value had passed the General Assembly, "it would have helped."

Following are the area schools, the amount of state aid this year and the amount of decrease or increase:

Vice chairmen named for United Way drive

John M. O'Meara, president of Citizens National Bank, Waukegan, is spearheading the 1979-80 United Way of Lake County campaign. O'Meara is responsible for achieving a goal of \$1,546,120.

"That figure is not just picked out of the air," O'Meara noted. "It's the minimum amount needed to support 32 United Way agencies for 1980."

THE GOAL WAS set in June, after local volunteers reviewed agency funding requests and determined the amounts needed. Since that time, O'Meara has been organizing the campaign and recruiting vice chairmen to assist him.

The United Way campaign relies on its once-a-year fund raising effort with employee groups for over 70 per cent of its revenue. Another nearly 30 per cent comes from corporate gifts from Lake County firms.

John Clennon, vice president of North Shore Gas Co., is responsible for contacting 35 firms in the county in the "Major Employers Division." In this effort, he is being helped by Dr. Charles Brown, Abbott Laboratories; Conrad Brown, Fansteel Inc.; Harold Callahan, North Shore Printers; Richard F. Kennedy, The News-Sun; Robert MacGruder, Lake County Contractors Assn.; John Rickerd, North Shore Gas Co.; Ed Pickus, Pickus Construction; and Donald E. Tynan, International Minerals and Chemical Co.

PAUL BARTOLAIN, vice president and manager, Chicago Title Insurance Co., Lake County office, is

heading up the Corporate Peer Groups. Divisions in this area include auto dealers, construction, finance, beverage distributors,

JOHN O'MEARA

major retail, insurance, real estate, and restaurants and hotels.

Capt. Robert L. Beskind, USNR, commander, Naval Reserve Readiness Command, region 13, serves as chairman of the combined Federal Campaign for Lake County, a position he held last year. The Combined Federal Campaign involves employees of all federal installations, representing approximately 25,000 people in Lake County.

Bernard and Susan Wysocki have paired up to handle the Not-for-Profit Peer Groups. These areas include local government, schools, hospitals and nursing homes, and social service agencies. Wysocki is a partner with Fugus, Winter & Associates; his wife is an elementary school teacher. Ned L. Fisher attorney with

Hall, Meyer, Fisher, Holmberg & Snook, heads the professional division.

Swimmers end with records

The Antioch Swim Team celebrated the end of the 1979 season with a record-breaker and party at the Aqua Center.

Ted White was honored with the trophy and Swimmer of the Year award.

Awards were also presented in each age group, boy and girl, for the most improved swimmers. Eight and under, Rocky Rowen and Brad Celarec; nine through ten, Ann Lallos and Eric Williams, eleven through twelve, Sylvia Kahler and John Hornewer; thirteen through fourteen, Patti Fields and George Doughty, fifteen through sixteen, Jennifer Czapiewski and Larry Andrews.

During the record-breaker, the team members swam for the best times to beat prior pool records.

A total of 10 new records were set with Matt Zavaski leading the way with three new records in eight and under boys, 33 yard free, back, and fly. Also, Kim Zamudio in eight and under girls 33 yard breast; 14 and under; Kim Nicholl, girls 66 yard breast and Shelly Volling in girls 66 yard fly.

Craig White set new time in boys 100 yard free. New records in 16 and under were Sue Harrison, 66 yard fly; John Bellucci, 66 yard breast and Ted White in 66 yard fly.

ON WAY TO GAME — Jaycees Ray Utterback, from left, and John Burnett pack trunk with food for trip to Wrigley Field for Cubs-Pirates game with 34 Antioch youngsters. Jaycees sponsored event as part of community service program.

Shock squads to take fish survey in Chain

Will carp be stopped in their drive for ascendancy in the Chain O' Lakes? Will any of the four million baby walleye ever find their way into a fisherman's creel?

Illinois Dept. of Conservation "shocking squads" are determined to wrest the answers to such questions from the murky waters of the Fox chain, even at the risk of life and wardrobe. Not even the horrifying hip-deep ooze which lines Grass Lake will stop them.

The week-long intelligence-gathering effort will commence Monday, August 17 and continue through August 30, according to Regional Fishery Supervisor Gary Erickson.

Shocking crews will be pulling fish out of the water at a rate of two per minute, Erickson predicted. All 12 major lakes in the Chain, some 6500 acres in total, will be probed for fish life, Erickson said.

Both electroshocking apparatus and gill net sets will be used to obtain as many different types of fish as possible, he added.

The results of the survey will be compared with the findings of similar surveys taken in 1968 and 1973, Erickson said. Those previous surveys indicated a trend toward growth of the "touch" rather than "sight" feeders, Erickson said. This trend is due to the high silt and sewage loads and resulting turbidity of the water in the Chain, which hinders visibility for sight feeders.

"We want people to know we are out there for a purpose and not just wantonly destroying fish," Erickson said.

62 Compete In State Bank Tennis Tourney

The State Bank of Antioch held the Third Annual Youth Singles Tennis Tournament August 10 and 11 at Antioch High School and Jensen Park. Sixty-two boys and girls competed in four age brackets, 8-10, 11-13, 14-15, and 16-17, for 32 trophies for first, second, third and fourth place.

Champions in the boys' division were Dan Rezin, Gordon Nasenbey, Donald Korjenek and Richard Korjenek.

girls' champions included Darlene Olsen, Genelle McKenna, Kim Belli, and Tricia Olenik. Dan Rezin defeated Chris Jungkans in the 16-17 age group in straight sets 6-0 and 6-2. Both boys displayed outstanding talent in all their matches.

Gordon Nasenbeny beat Bob Thain 10-1 in the boys' 14-15 age group while Donald Kor-

jenek defeated Mike McGrain 8-2 in the 11-13 age group.

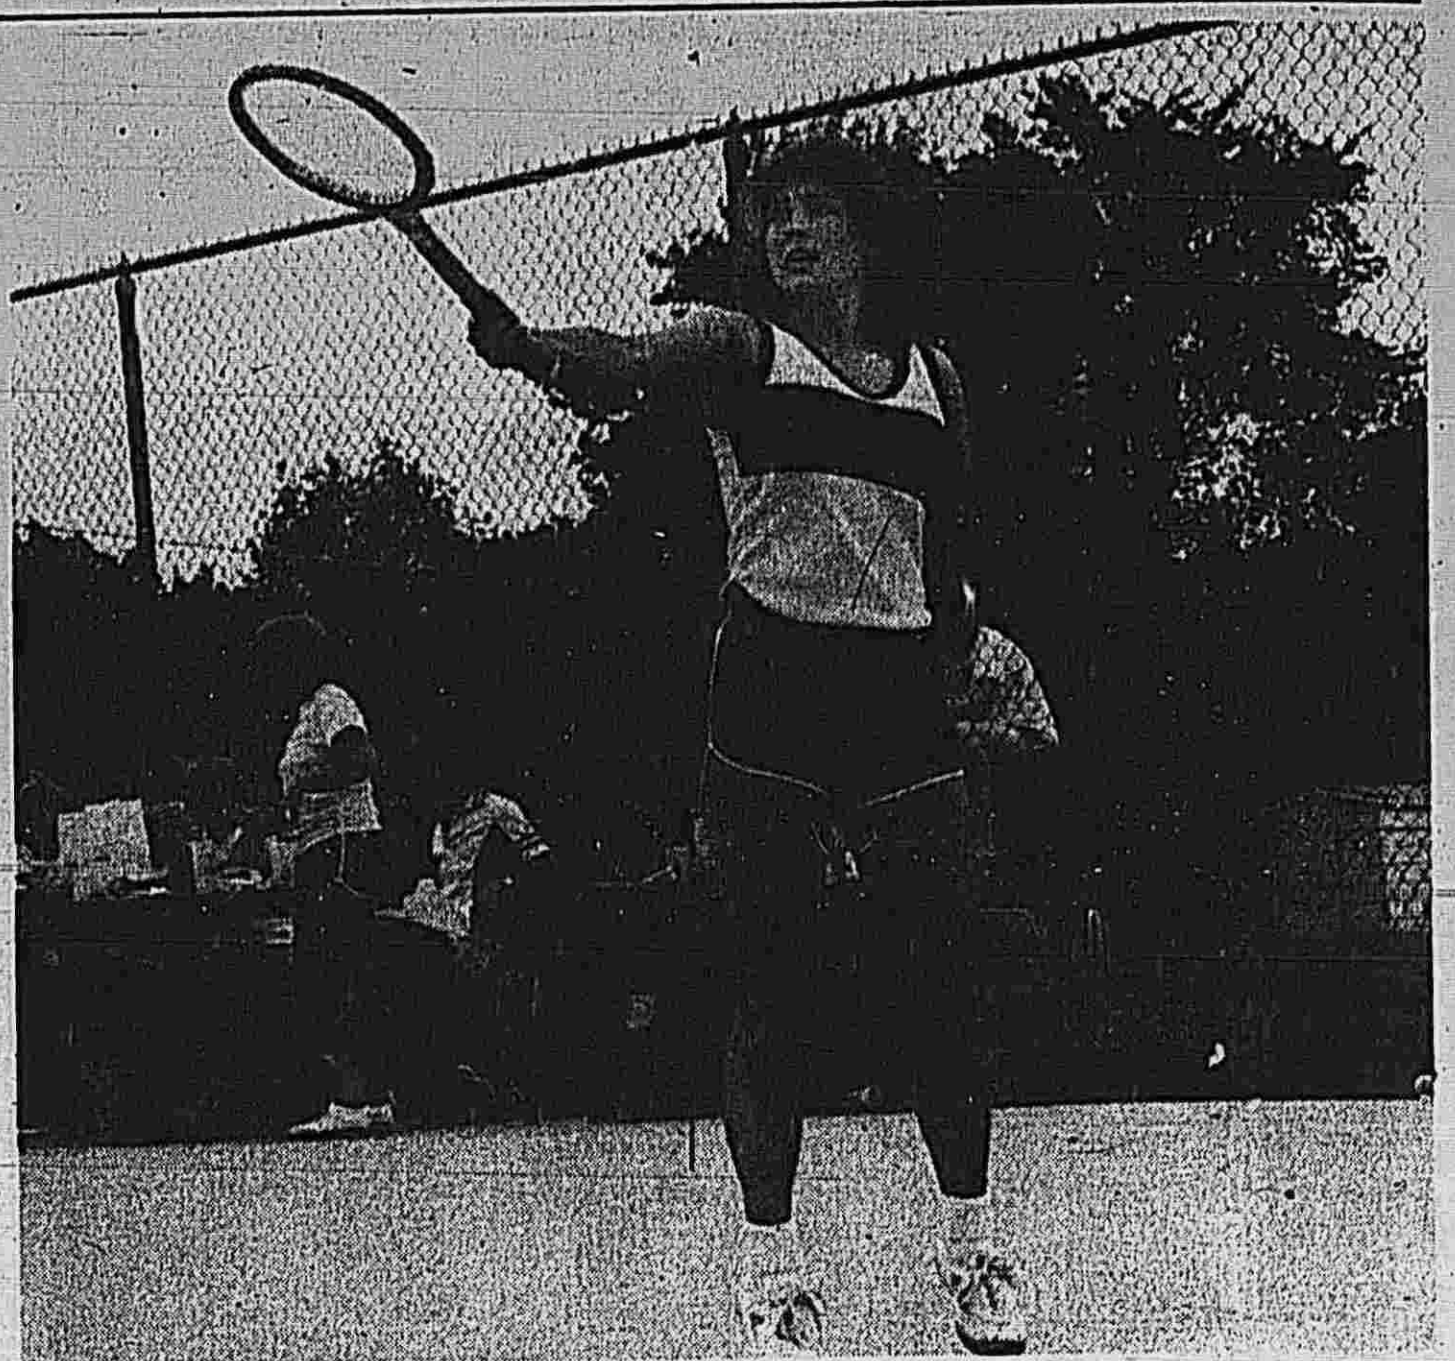

Both Gordon and Don were winners in last year's tournament. Richard Korjenek, Don's younger brother, defeated Robbie DuFault 6-0 in the 8-10 age category, making the second year he went home with a first place trophy, also.

In the girls' matches, Darlene Olsen beat Cathy Lipske 6-4, 6-1 in the 16-17 age group, and Genelle McKenna defeated Tracy Witt 10-7 in the 14-15 age group.

Genelle was a first place winner last year, too. Kim Belli won over Cindy Mantia 8-5 in the 11-13 age group, and Tricia Olenik was the winner this year, defeating Cari Bennett 6-0 in the 8-10 age group.

Theatre tryouts to begin

Tryouts for PM&L's production of "The Miracle Worker," directed by Pam Hunley, will be held on Saturday and Sunday August 25 and 26 at 1 p.m. at the PM&L Theatre, Main St., Antioch.

This is the story of Helen Keller — a young, blind, and deaf mute girl. Men, women, and children of all ages, black and white, are needed.

Also, anyone interested in working backstage on lights, set, costumes, or props is welcome.

Antioch claims eight stations

Eight Antioch area businesses are official claiming stations in the 1979 Chain O' Lakes Fishing Derby.

A total of more than \$30,000 in prizes will be given away during the five-week competition, which is currently in its final week.

The annual event is sponsored by the Antioch Chamber of Commerce and Industry, Chain O' Lakes

Fallfest '79 set for Twin Lakes

Plans for Fallfest '79 were announced this week by the Twin Lakes Area Chamber of Commerce to be held the weekend beginning Friday, Sept. 28, and continuing through Sunday, Sept. 30.

A parade is scheduled for Saturday, Sept. 29 beginning at 11 a.m. at Lakewood School. A beer and brat tent will be in the former Sentry Foods parking lot Friday through Sunday, opening at 6 p.m. on Friday and 11 a.m. on Saturday and Sunday.

The tent is sponsored by the Twin Lakes American Legion Post 544 and the Twin

Runners Snowmobile Club with a Street Dance to be held at the same location beginning at 8 p.m. Music by Country Classics.

On Sunday, Sept. 30, the Twin Lakes Art Assn. will hold an Arts & Crafts Show in the former Sentry parking lot from noon to 5 p.m. This event will be sponsored by the Twin Lakes Businessmen's Assn. To register for the show, write Mrs. Madonna Fishback, Box 519, Twin Lakes, WI 53181.

Airplane rides to view the beautiful lakes area are available from the Westosha Airport on Saturday and Sunday. A pancake breakfast will be served at St. John's Community Center on Sunday, Sept. 30, from 7:30 a.m. to noon, sponsored by the Twin Lakes Knights of Columbus. Water fights will be held at 1:30 p.m. at the lake in town.

For more information on the various activities planned for the weekend, call the Chamber of Commerce at 414-877-2220 or write Box 818, Twin Lakes, WI 53181.

Gosmic Signs

LEO

(July 24 - August 23) Don't let a false sense of duty, or an appeal to your vanity, lead you to sacrifice your time on wasted pursuits.

VIRGO

(August 24 - September 23) Sensitive, loving feelings—and tokens of your caring and appreciation—would be valued highly by someone now.

LIBRA

(September 24 - October 22) Avoid impulsive enthusiasms and financial schemes at this time.

SCORPIO

(October 23 - November 22) Don't flail about in panic when others contradict your wishes. Act slowly and deliberately.

SAGITTARIUS

(November 23 - December 22) Promises received and given may be all out of proportion to reality. Expect the unexpected in love.

CAPRICORN

(December 23 - January 19) Domestic conditions are subject to upsets involving monetary issues or emotional disagreements.

AQUARIUS

(January 20 - February 18) Enjoy a trip in conjunction with family or friends. Sports, games and entertainment take you temporarily out of the blues.

PISCES

(February 19 - March 20) Domestic relations smooth out, and magnetic attractions or romance brightens the week. Social and group events are highlighted.

ARIES

(March 21 - April 21) Past occupational projects can be satisfactorily wrapped up shortly, freeing you to devote your time to new, more progressive and interesting ideas.

TAURUS

(April 22 - May 21) You, or one you love, could have reason to treat yourselves now! Enthusiasm continues to hold sway in your life.

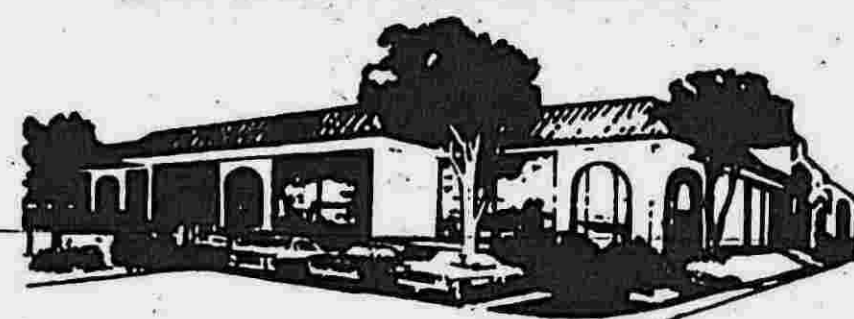

GEMINI

(May 22 - June 21) Your health may react to disappointments in joint affairs, or to financial pressures and disputes. It's time to relax with no commitments and obligations.

CANCER

(June 22 - July 23) Disillusionment lurks when you pin everything on a false view of your partner. Yearning for the past, or an old flame, could muddle the picture for you.

Wilton receives certificate

Robert Wilton, former mayor of Antioch and owner of RCW Service in Mundelein, recently attended an appliance service seminar conducted by Whirlpool Corporation at its Consumer Affairs Technical Training Center in Benton Harbor, Michigan.

The one-week "Home Laundry Technical Seminar" covered laundry techniques, automatic washer and dryer in-

stallation, electrical and mechanical systems and their diagnosis, solid state electronic controls, and water systems and filters. A

tour of the St. Joseph, Michigan manufacturing division of Whirlpool Corporation was made during the week.

Moose women honor members

by ANITA WISNIEWSKI
Senior Regent Mary Galster welcomed 30 co-workers to the August 16 business meeting. She presented co-workers Lorraine Deutsch, Alice Mellen and Marti Scheske with their chapter pins for attending three consecutive meetings.

We were all very happy to see co-worker Ramona Pyzyna. She has been residing in Hickory Hills and is back in Antioch visiting friends. The August birthday march was held. Co-workers are asked to donate a penny per year and they receive a small gift from the chapter.

Marchers were Dorothy Tralewski, Anita Wisniewski, Lorraine Deutsch, Sharon Deutsch, Pearl Roach and Ann Barone. College of Regents Chairman Gladys Schroeder read the report of her committee's project and thanked everyone who had helped to make the raffle a success.

Moosehaven chairman Andrea Smallwood also read the committee project report and thanked everyone who had attended their pancake breakfast.

Senior Regent Mary announced that Junior Graduate Regent Judith Kelly is now the new

hospitality chairman. If you know of any co-worker who is ill or has had a death in the family please contact Judith. She also announced that the chapter will be sponsoring an attendance dinner, by invitation only, to be held in the spring.

This dinner will be for all co-workers who have attended at least one meeting a month during the chapter year.

Co-workers, are you talented in any way at all?? The chapter will be holding a Christmas Bazaar and we will be needing all your help to make this fun project a great success.

This bazaar is still in the planning stage so contact Senior Regent Mary if you can help in any way. It will be held in late November during the Friday Night Fish Fry so there is still plenty of time to start making your favorite Christmas item.

After the meeting the usual drawings were held: Moosestry Gift Drawing was held and won by Andrea Smallwood. Mae Prazak won Share the Pot. Gertrude Horneck's name was drawn for the attendance drawing but she was not present. The next meeting will be held Thursday, Sept. 6 and will be formal dress.

DEAN'S LIST

Margaret C. Bessette, 983 Main St., and Wendell Gordo Burris, 399 Maplewood Dr. in Antioch were named to the dean's list of University of Illinois. Others named were John James Kakacek and David Joseph Kazmer of rural Antioch.

Senior Citizen Day to be August 29

This year, members of the Lake County Forest Preserve District are looking forward to another successful Senior Citizens Day Picnic from 10 a.m. to 6 p.m. on August 29 at Lakewood Forest Preserve.

During the day, almost the entire Lake County Forest Preserve District staff will be on hand at Lakewood to insure that this will be an enjoyable day for the senior citizens.

IN ADDITION, many Lake County officials have volunteered to assist in the various information and food and beverages service booths to assure that the seniors have a good time. This will not be a campaign event, however.

The schedule of events for the day is:

Opening ceremonies and flag raising at 10 a.m.

Great Lake Naval Band performance at 10:30 a.m.

Frank Trusky Orchestra performance at 11:30 a.m.

Crowning of the king and queen of the picnic and recognition of 100-year-olds at noon.

Wally Blake, comedian, will perform at 1 p.m.

Burnett and Timmer will perform at 1:15 p.m.

ROUND LAKE "Hot Shots" Kitchen Band will entertain at 1:30 p.m.

Senior's amateur and crazy hat contests will be held at 1:45 p.m.

Waukegan button box will be displayed at 2:30 p.m.

Live Entertainment will be presented at 3:30 p.m.

Activities which will continue throughout the day include bingo, boat rides, horseshoes, museum visits, and fishing.

Free refreshments which will be provided for the seniors include beer (provided and served by the Lake County Tavern Owners Assn.), popcorn, pop, and ice cream.

Seniors should pack a sack lunch to supplement the refreshments provided. Seniors who need transportation should call their township supervisors.

FINANCIAL NEWS

by
Phil Schaub

I want to apologize to my readers for missing the last two weeks. I was sick and unable to write the columns.

A trust that goes into force while the maker of the trust (the grantor) is still alive is called a "living trust". When you establish a living trust, you can make yourself the beneficiary or you can make someone else the beneficiary. If you make yourself the beneficiary, you've simply asked the trustee to handle the property for you. We'll discuss some of the advantages of such an arrangement next week.

If you name someone other than yourself beneficiary, you've given ownership of the property in the trust (the corpus) to that person (or persons) to manage. There are sometimes tax advantages to giving property away. Giving it away in trust will give you those tax advantages only if the trust satisfies all the laws and regulations. The most important is that the trust be irrevocable. A living trust can be revocable or irrevocable. A revocable trust can generally be cancelled (revoked) by the grantor. You can take back what you've put into a revocable trust. Therefore, the tax courts generally don't consider property given away in revocable trusts as truly given away. Therefore, putting property into a revocable trust generally doesn't offer the tax advantages that giving property away outright can. An irrevocable trust, on the other hand, usually cannot be cancelled by the grantor. Once you put property into an irrevocable trust, you can't take it back any more than you can take back an outright gift.

The tax courts may consider property given away in irrevocable trusts as truly given away. Therefore, putting property into irrevocable trusts will usually give you the same tax advantages as giving it away outright. Tax advantages from giving property away usually arise out of estate taxation. You can reduce the impact of estate taxes by proper estate planning. If your estate is very large, you eventually can only reduce estate taxes more by shrinking the estate; by giving some of it away before you die. This is simple when you're giving to someone who is competent and trustworthy; just give it away outright. What if you want to give it to minor children? That is a problem which irrevocable trusts solve very nicely. By giving property to a minor child in an irrevocable trust, you satisfy the tax laws and regulations, but you don't give him control of the property.

INSURANCE INFORMATION

My roof was damaged by hail and I had it repaired. If it leaks after another storm will this additional damage be covered by my insurance? If you have all ready collected on one roof repair necessitated by a storm, you must prove through receipts, etc., that the roof was in fact repaired by a reputable repairman. This would qualify you for collecting from your insurance should another storm cause a leak. If your certification of repair is in order, the insurance company would look at the cost of repairs as necessitated by two separate catastrophes. However, in order for your insurance to pay for the damage caused by the second storm, the deductible must once again be met. It is important to notify your company as soon as possible after such damages are incurred.

Weather knocks out area racing activities

The heavy rains of Friday left the Kenosha County Speedway too wet for races on Saturday and postponed those races to Wednesday, August 22.

Darrell Dodd heads up the super modifieds; Glen Deswaysen leads the modifieds; Jim Zwirgzdas heads late model sportsman and Tom Banfield is on top of spectator stock cars.

The only change in the top spots since the last racing on August 12 was Deswaysen's move to the top spot over Jim Uttech.

Only two more races remain before the season championship race on Saturday night Sept. 1 for the super modifieds. The late model sportsman season championship race will be the following week, Sept. 8. That will also be the final night for super modified point standings.

The modifieds and spectator stock cars will race in season championship races on Saturday, Sept. 15 to end all races for the season at Wilmet.

Pointstandings follow:
SUPER MODIFIEDS: Darrell Dodd, Waukegan 814; Joe Kristan, Waukegan 766; John Tierney, Lake Villa, 739; Bob Robel, Oconomowoc, 687; Jim Moulis, Johnsbury, 602; Rick Schmidt, Racine 587; Dick Colburn, Muskego 575; Bill Kojis, Milwaukee 561; Joe Fote, Oak Creek 411; Gary Dye, West Allis 362.

MODIFIEDS: Glen Deswaysen, West Allis 470; Jim Uttech, Kenosha 468; Jeff Taylor, Silver Lake 426; Bruce Young, Union Grove 291; Earl Richmond, Chicago 277; Jim Hedges, Kenosha 259; Joe Symones, Union Grove 255; Dave Schmidt, Spring Grove 253; Paul Seidler, Bristol 176; John Zivko, West Allis 167.

LATE MODEL SPORTSMAN: Jim Zwirgzdas, Paddock Lake 846; Duke Norton, Wonder Lake 693; Sid Norton, Wonder Lake 692; Jerry Heywood, Antioch 609; Ken Zeisse, Union Grove 604; Hank Horvorka, Silver Lk. 536; Ralph Rau, Paddock Lk. 512; John Dost, Antioch, 491; Dave Zilmer, Silver Lk. 454; Butch Hinze, Racine 444.

Stories and results of races at Wilmet not received at the newspaper last week are included this week.

FOR THE FIRST time in many weeks in the Kenosha County Speedway super-modified stock car point standings, a change has been made in the top three driver positions.

That change came August 11 as Joe Kristan won the annual Kenosha County Fair 30 lap championship race. That win, coupled with an earlier heat race win, moved him into second place in the point standings behind leader Darrell Dodd.

Kristan took the lead from Dodd in the race. Previous runner up in the standings, John Tierney finished ninth in the feature.

Other heat race winners were Dennis Spitz who also won the eight lap semi-feature and Jim Moulis who moved into fifth place over Rick Schmidt who spun on the start. Colburn also moved around Kojis in the standings to take over seven-

th spot. He was fast time qualifier at 16.48 seconds.

SID NORTON took over when his brother's car driven by Duke blew a valve cover gasket and was black flagged off the track. Earlier Duke had won a heat race. Other winners were Mike Klemko and Jeff Hutchinson. Ed Schubert won the 12 lap semi-feature.

Jim Uttech point leader in the modified stock cars, set fast time in this group but spun and finished only sixth in the feature won by Glen Deswaysen.

The spectator stock car races continued to be dominated by point leader Tom Banfield. He won the 12 lap feature and an eight lap heat race.

The other heats were won by Mike Wirth and Dan Rausch who also won the eight lap semi-feature.

RAIN STARTED falling on the 10th lap of the super-modified 25 lap feature race at the Kenosha County Speedway August 12 and caused the balance of the races to be cancelled.

A planned recognition of the overall winner in each of the speedway's four groups was left incomplete. Only Glen Deswaysen, who finished fourth in the modified stock car 15 lap feature, earned the full recognition of his points earned in the two days of stock car races at the annual county fair and earned him a large trophy.

The 25 lap feature for super modifieds had been halted for about 20 minutes to remove an injured spectator from the grandstands. Ken Blain was the leader at the time with Rick Schmidt and Bill Kojis taking up close racing positions and threatening Blain's lead.

Gene Pennington had set fast time for the super-modifieds at 16.30 seconds and was eighth when the race was red flagged.

Jim Hedges won the 15 lap modified stock car feature over Jeff Taylor and Paul Seidler. Tom Bergman and

Slo-Pokes planning motocross

Maplehurst Cycle Park in Spring Grove will once again be the site of Slo-Pokes monthly motocross races Sunday, August 26.

Schedule of events includes sign-up from 7:30 a.m. until 9:30 with practice at 8:30 and racing beginning at 10.

Competition classes are Mini A and B, 100 A and B, 125 A and B, 250 A and B and open.

Gate fee is \$3 with sign-up fee \$5. It is \$1 extra without an AMA district membership card. Camping is available for \$1 also.

The track is open for practice every day but Tuesday and race days. It includes miles of trails and a challenging European-style course.

The park is located northwest of Antioch just off Rte. 173 on Wilmet Rd.

For further information, contact Maplehurst Cycle Park at 815-675-2558. The park address is 11001 Wilmet Rd., Spring Grove, 60081.

Taylor won heat races.

Thunderstorms which rocked the Waukegan Speedway area forced cancellation of the racing activities August 18 and 19.

As a result, all of the planned activities were postponed one week.

Corkers win at Dug Out

Wheeling Corkers defeated Sky Harbor Enterprises of Northbrook 14-8 in championship of Dug Out Park 16 inch class "C" double-elimination tournament.

Maggots placed third after losing to Sky Harbor 9-4.

The tournament was played despite considerable rain throughout the weekend with the finals being completed near midnight Sunday.

August 23 and 24, Dug Out hosts a women's 16 inch tournament which still has some openings.

The Labor Day Classic 16 inch men's tournament currently has a dozen entries according to Tom Furlan, tournament manager. Entries are still available.

Caithamer practicing at Olympic training center

Mike Caithamer of Antioch is working to improve his judo skills at the U.S. Olympic Training Center.

Caithamer, one of 100 judo competitors from the nation, is training under the direction of Paul Maruyama, coach of the 1979 Pan America Judo Team.

In all, more than 15,000 athletes have been selected by the National Sports Governing Bodies to use the training centers here and at Squaw Valley, Calif. Both centers are sponsored nationally by Burger King restaurants.

Caithamer, a three-time Junior Olympic Champion, was the Junior National Champion in 1978 and 1979. He was High National Champion in 1978. A recent graduate of St. Viator High School, Caithamer will attend San Jose State in September.

THE OLYMPIC training

centers have been in operation two years. However, it wasn't until Burger King pledged \$1 million annually during the next two years that the U.S. Olympic Committee could begin refurbishing the existing facilities and installing a number of new programs.

The Burger King commitment marks the first major breakthrough in corporate funding for the training centers.

"The training centers should finally enable our athletes to reach their potential in international competition," said Bob Mathias, two-time decathlon gold medalist and now director of the Colorado Springs facility. "The Russians and East Germans have been providing similar training facilities for their athletes for years."

Hunting course offered

Now is the time for youngsters under 16 years old who want to hunt this year to be enrolled in a hunter safety course.

The courses are sanctioned by the Illinois Dept. of Conservation and are required for anyone under 16 who does not have a hunting license from a previous year.

Most of the courses are taught during the fall, according to Conservation Police Officer Bruce Benstein, who coordinates the hunter safety program in northeastern Illinois. Between 35 and 40 classes will be held, Benstein said.

"We've tried to geographically place these classes so nobody has to drive an inordinate amount of miles to get to a class," he added.

The eight-hour course is taught by volunteers, and fees for the course, are to cover the cost of materials and rental of a hall. Both safe handling of firearms and archery equipment are taught in the classes.

Individuals interested in enrolling in the course can call the Chicago Office of the Illinois Dept. of Conservation at 793-2070.
